There are lots of great reasons to choose Pride Artificial Lawns:

- ✓ All our surfaces are designed for maximum resistance to fading, staining and UV degrading. All were developed originally as high performance sports surfaces, a pedigree which guarantees hardwearing, low maintenance installations in all situations.
- ✓ **Fire Rated - EN ISO 9239-1 (2010)**
- ✓ Artificial grass allows give you the option to cover walls and roofs of Shelters and Smoking Areas which create a warmer feeling and reduced noise.
- ✓ Low maintenance – generating savings on time and upkeep costs.
- ✓ Better for the environment – artificial lawn - no need for pesticides and mowing.
- ✓ Durability with visual appeal – ideal for effective, low maintenance landscaping / play areas.
- ✓ Natural looking-our luxury garden products give the look and feel of a pristine summer's day lawn.
- ✓ Pride Sports & Leisure employ our own full time installation crews to ensure quality installations.
- ✓ Pride Sports & Leisure are ISO 9001-14001-18001 accredited.
